Tyler

- What is something a student should keep in mind when choosing a department to apply to?
- How did teachers make the learning environment feel?
- Are people generally nice, friendly or helpful?
- How safe would you say the campus is?
- What are some things potential students who aren't from Philadelphia should be aware of?
- When applying to a specific program at Tyler are students able to experiment with other mediums or are they locked into one type of class?
